

associates

Daniel Thompson

Associate

Qualifications: BSc (Hons) University of Glamorgan

Daniel has worked for FWP for 12 years, his resolute professionalism saw him attain associate status in 2005. Daniel has managed many multi million pound projects both in the private and public sectors in his dual role as project / cost manager. His expertise and knowledge span many sectors, including: health, sport, leisure, commercial, residential, education, etc. Currently he is working on the plans to redevelop Leicester Tigers, Welford Road Stadium.

Phil Nealen

Associate

BIAT

Phil brought with him an extensive knowledge of health projects when he joined FWP in 1994 from Wrightington Wigan and Leigh NHS Trust. He has continued his work in this sector and has an enviable knowledge of the requirements and needs of all aspects of Health organisations. Phil has been an associate for over 5 years, during this time he has worked both in the Manchester and Preston offices.
