

CDM CO-ORDINATOR

Frank Whittle Partnership, a successful multidisciplinary CHAS accredited consultancy requires an experienced CDM Co-ordinator to manage its 45 strong workforce in health and safety issues at its head office in the North West.

Ideally you will be -

- degree qualified with relevant H+S qualifications and a minimum 5 years experience in the role of CDM Co-ordinator
- an I.O.S.H. / A.P.S. member
- a good communicator
- experienced in implementing / managing safety issues during the design and planning phases of construction work
- effective at implementing necessary dictates both in the office & on site
- experienced in working in both the public and private sectors

In return the practice offers a very competitive salary and the opportunity to work in a professional, friendly environment on blue chip projects covering many sectors.
