Martin Frank Whittle

Managing Partner (Quantity Surveying)

RICS MRICS 90049

1985 BSc (Hons)

Martin has worked as a partner within FWP Group for twelve years. As the Quantity Surveying Partner, he has overall responsibility for the Cost Management on all projects. Martin has considerable experience representing FWP working as a consultant QS within the Public Sector. Most notably he has developed extensive experience whilst working for the Local NHS Trust as a Quantity Surveyor and Project Manager, clocking up over 600 projects with the NHS.

Martin has a significant reputation working for Local Authorities on Town & City Centre Commercial Improvement Ventures. His knowledge of procurement, funding grants, and contracts of projects of this nature is well known.
