Neil Ainsworth

Partner (Architecture)
RIBA + ARB
BA (Hons) Dip Arch, RIBA

Neil joined Frank Whittle Partnership in 1994 and achieved partner status in 2005. Neil is a notable designer with a real understanding of clients requirements. During his period with Frank Whittle Partnership he has produced innovative, workable and affordable designs for a plethora of projects covering many leisure activities; horse racing, football, golf to name but a few. He has particular expertise in the field of stadia design, and is currently working with several racecourses and football clubs. Neil is committed to sustainable practices and as such seeks to make a positive contribution to the built environment.

Brent Clayton

Partner (Building Surveyor)
RICS MRICS 98939
BSc Building Surveying

Brent has worked for Frank Whittle Partnership for over 18 years, and achieved partner status in 2005. Brent is a well respected building professional, as well as having extensive experience as a building surveyor he has also developed his skills to be a very knowledgeable project manager and has developed a good understanding of design with regard to architecture. Brent has worked on many multi million pound projects.
