Dear Martin

**Re: Preston Healthport**

Following the recent completion of the Healthport, we would like to take this opportunity to express our thanks for all the hard work that you, Brent Clayton and other colleagues did to ensure that the patients of Preston have a new purpose built facility for the provision of mobile diagnostics services and fixed Tier 2 services, despite a continually changing remit!

The first patients finally came through the door on Monday 15<sup>th</sup> January 2007, and I know that the clinicians are enjoying delivering their services in the Healthport.

Yours sincerely

Peter Tinson

Commissioning**
